Defining a Presence

Defining the right solution to ensure your direction and Influence in your market.

The solution, which one is right for you? With the rat race hard at your heels the last thought should be “Is my presence on the web effective?” Here at CPUGUYS.Net we will assist you in tailoring your solution. Whether you need a five page web site to a dedicated, co-located or total e-commerce solution; no job is too large or too small. Ensuring that search engine knows that you are out there and ready for business. In addition we will submit your site to over 2,500 search engines and link directories, that define you and your market place.

Making an Educated Decision

Information is the key to success in any market.

What assurances can you offer that I am making the right decisions? We have a large network of IT professionals and close working relationship with the largest internet / extranet provider in the world. Support is always 24 hours a day, seven days a week, 365 days a year priority. If there is anything that we are remotely unsure about, we go the extra mile and assess the situation with the thousands of other trained IT professionals in our support network. The members of CPUGUYS.Net are here to assist you. We specialize in tailoring a solution with the options that make sense. We will recommend and assist your management team to make a sound educated decision. All costs involved will be assessed with due process before you commit.

So Where Do We Start

Transfer to CPU Guys.NET
and Receive 25% off of
your current hosting Bill.

NO QUESTIONS ASKED!!!

IN ANY BUSINESS YOU NEED TO ASSESS WHERE YOU ARE GOING
AND WHAT YOU NEED TO GET THERE.

Assess your Current Hosting Needs, first you should select a plan that best suits your company's needs. Remember you are not tied down when choosing CPUGuys.NET; we are here to help your company grow and change so you have complete **FREEDOM** of your account. Businesses constantly change day to day and so may your hosting needs. By Transferring to CPU Guys.NET we will **INSTANTLY** CUT 25% off of your current web-hosting bill, **NO QUESTIONS ASKED!!!!**

Personalized Service: CPU Guys.NET is proud to stand up to any competitor to offer superior service and technical support. If we don't have the answer to your questions we actively pursue the problem to get you the answer. CPU Guys.NET Can offer 25% off of your bill because we are not a conglomerate with a fancy telephone system that could get you lost. When calling us you get a LIVE person. Customers are how we survive in business. CPU Guys.Net is a WHOELY owned Subsidiary of CPU Guys, Inc. Our business is owned and operated by its employees, thus ensuring the agent answering your email and telephone calls cares about YOUR needs not the paycheck at the end of the week. Our company is in business for the long haul and It has taken years of hard work to offer you this service, but we are proud to stand up to any other web host Large and Small to out perform there services 100%.

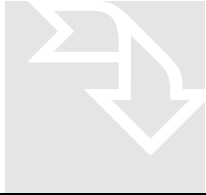

Our Business is YOU!!!
